Stronghold Quest: How to Play

Welcome to Stronghold Quest, a card game from Zoseco to fortify your commitment to defending innocent life! Inspired by our four pillars—Purity, Protection, Peace, and Productivity—you'll draw cards, face challenges, and overcome threats to build a stronghold for life. Play solo or with your family to collect 7 Challenge Cards (or 12 for a greater victory) and claim your “Defender of Life” badge.

How to Play:

1. Setup: Print this PDF, cut out the cards (Pillar, Challenge, Threat), and use the Score Tracker.
2. Start: Shuffle the Challenge and Threat decks separately. Pick a Pillar Card to guide your mission (optional).
3. Draw & Act: Draw a Challenge Card each turn, complete its task (e.g., write, plan, pray), and keep it. Every 3rd turn, draw a Threat Card instead—follow its instructions to avoid losing a card.
4. Personalize: Make it yours! Draw or color on the cards to reflect your family's pro-life goals—like adding a heart for purity or a shield for protection. Let kids join in to learn how work defends life.
5. Win: Collect 7 Challenge Cards (or 12 for a greater victory) to fortify your stronghold. Sign your “Defender of Life” badge!
